

BARTENDER

Detroit City Distillery seeks additional bartenders to join our talented crew. As we prepare for a busy season, we are looking for versatile new team members to bartend events at The Whiskey Factory and fill shifts at our Tasting Room and Summer Street Bar. We offer more than your everyday bartending experience. There are tons of growth opportunities. You can learn about and contribute to spirits production, create new cocktails, participate in a large range of events from industry tastings to weddings to massive street parties, and a lot more. If you're a reliable team player with exceptional service and strong work ethic let's talk.

We offer highly competitive hourly rates and solid tip earning potential. We also offer employee healthcare and 401K plans as well as job training and loads of growth potential.

GENERAL DUTIES

- Provide exceptional customer service
- Educate customers on who we are, our spirits and our cocktails
- Learn, memorize and execute cocktails, technique and presentation
- Strong communication with bar backs and servers to ensure accurate, efficient service
- Diligently conduct transactions from ringing in drinks, to bottle sales, to properly handling cash
- Assist with a range of opening and closing activities and event set up tasks
- Contribute to new cocktail menu development
- Attend staff meetings and trainings
- Maintain a positive, respectful, upbeat attitude
- Build the brand and get customers to come back again

EXPERIENCE / INTANGIBLES

- Beverage experience required. While we are a craft cocktail bar, we've transformed many beer and shot bartenders and baristas into talented craft cocktail bartenders.
- Experience with BOH prep and other cocktail ingredients a plus
- Willingness to learn, contribute to a team environment and desire to grow professionally
- Infectious personality with a passion for our spirits, our story and our city
- Honesty and respect for yourself, the craft and the business is paramount.
